

What to do	Who to see and when	More information
Be vaccinated in line with US guidelines	You should visit your family doctor as soon as possible to update your vaccinations	Adult aged 19 or over, follow this link to Adult Vaccinations . Child under 19, follow this link to Child Vaccinations .
Book a chest x-ray if aged 15 or over for at least an hour after your medical exam.	<p>Imagerie Médicale Léonard de Vinci, 43, rue Cortambert, 75016 Paris 01 53 65 53 11 (for USA chest x-ray) otherwise 01 47 04 44 20</p> <p>Only AFTER the medical visit</p> <p>http://www.centre-radiologie-paris.com/</p> <p>Doctolib</p>	<p>The US Embassy does not accept chest x-rays from other sources. An appointment is required:</p> <p>Either Use Doctolib "Centre d'imagerie médicale Leonard de Vinci" and selecting: 'le lieu' (Place): centre Cortambert 'la catégorie' (category): visa poumons (visa lungs) 'le praticien': pas de préférence (no preference)</p> <p>Note that if several people come as a family, only make one appointment.</p> <p>Or Phone 01 53 65 53 11 (for US Visa X-ray appointments) (Cost about 50€ in 2019)</p> <p>The result will be given to you on a computer disc and also be sent electronically to the doctor.</p>
If you have ever had convictions relating to drug or alcohol use	Write to us know before the visit at gunitajolly@wanadoo.fr	The doctor will prescribe specific tests for you during the medical.
If you are pregnant or suspect you might be pregnant	Write to us know before the visit at gunitajolly@wanadoo.fr	You will need to discuss the X-ray procedure and sign a consent form during your medical visit.
